

This year the Alpha DevCon Conference application is available directly from Alpha Launch

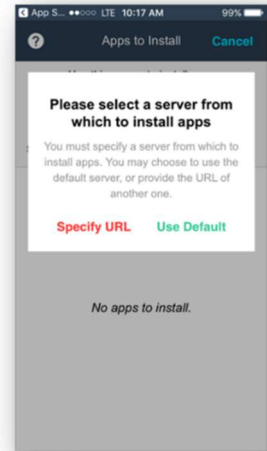

Install Alpha Launch from the iTunes store or Google Play:

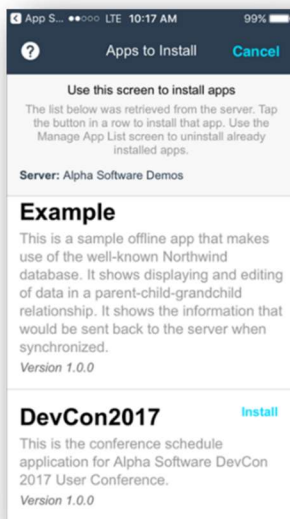

Click the Launch Icon on your mobile device:

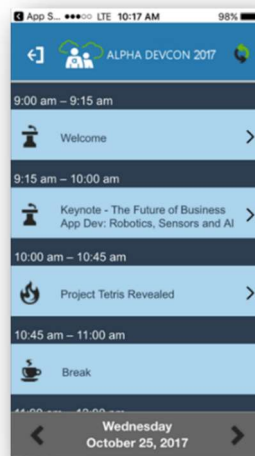

Download the list of available applications:

Click the Install button next to DevCon2017

The app is downloaded and will appear on the list of installed apps in Alpha Launch

Have any questions regarding our conference, please contact us at: sales@alphasoftware.com

See you soon in Newport, RI

The Alpha Software Team
