Entry | Carrier Finder

Add powerful new mobile apps to extend your existing web-based business processes and workflows to field workers.

Easily Add Powerful Integrations, Workflows and Customizations

Easily access any existing data store. Integrate with existing systems of record or digital workflow, or connect to over a thousand popular web services.

- Retrieve online and offline data, perform complex calculations and data analysis
- Create sophisticated reports and output data in digital and paper formats
- Set up auto-scheduling, SMS and email messaging, and IOT sensor monitoring and action triggering
- Create pixel perfect apps with full CSS support

Satisfy Critical IT Requirements

Includes the features and functionality required by IT to customize and *securely* integrate with existing systems of record, complex workflows, and enterprise dashboard and reporting systems.

- Simplified integration and real-time data exchange with connectors, web hooks, and an extremely rich API
- Enterprise security that meets corporate data and regulatory requirements
- Flexible on-premise or cloud deployment options, with complete control over where data is stored
- Full programmability: apps without limits

Provides IT complete flexibility to fully customize or enhance any business app to meet demanding enterprise requirements.

Field Data Capture

This mobile optimized app for data capture in the field. An innovative paperless recording, analysis and archiving system, it sets the standard for British archaeological contractors. *(Source: Start Software/Cotswold Archaeology)*

Legal Software - For Legal Document Consultants and Estate Planners

Web-based tool for consultants and clients to interact, capture and store financial information to produce legal documents such as Wills and Trusts. Incorporates online payments, S3 secure document storage, interactive customized client portals and estate planning. Links to other platforms via web APIs

The screenshot shows the Legacy Legal website. At the top, the Legacy Legal logo is on the left, and navigation links for 'Wills', 'Trusts', and 'Powers of Attorney' are in the center. A 'MENU' button with a hamburger icon is on the right. The main banner features a colorful illustration of a park with people. A white text box on the left says 'Dedicated to protecting your assets for many generations'. A grey login box on the right is titled 'LOGIN SECURELY' and contains fields for 'Enter your username' and 'Enter your password', a 'Login Securely' button, and a 'Forgot Password?' link. Below the banner, the text 'Welcome to Legacy Legal' is followed by a paragraph: 'Whoever you are and whatever your circumstances, you no doubt have people that you care about and that are important in your life.' To the right of this text is a small illustration of houses and a 'Play video' button.
